SAFETY COMMITTEE MEETING
10-13-99
7:00AMK. Quillen J. Taylor B. Slack
D. Jacquet G. Chinn T. Kelley

We've had one accident and one lost time injury since our last meeting, both as a result of the same accident.

We covered Donnie Cooper's accident costs, causes, etc. While we've done very well year-to-date on accidents and injuries, this accident will prove extremely costly. We are well over \$125,000.00 in costs and these costs will continue to rise.

Clotheslines will not be retrofitted onto trucks. We will continue to replace them as required.

The railroad has been contacted on the damaged bridge plates and pins. They should be out the week of 10/25 to inspect and replace as required.

Our snow/ice removal is in place. Same people as last year. Bill Weaver and Gary Chinn will again serve as contacts should problems arise.

Both yard vans need transmission work and will be serviced as soon as possible.

Once again, throughout all the holds, lack of railcars, yard congestions, etc., we've not experienced a yard accident. Keep up the good work.

Safety Committee Meeting
9-7-99
7:00AM

G. Chinn J. Taylor
K. Quillen P. Kuchar

We opened the meeting with a discussion of our accidents and injuries Y.T.D.

We covered the injury to James Bristo, no lost time, that occurred since our last meeting.

Moraine will be a test site for the new "chain" clothesline to be used on the headramp. The chains will be adjustable, and should eliminate the problems we've had due to weakened cables. Phil Kuchar suggested that all trucks be refitted.

Yard congestion remains a problem here, and due to our high volume, probably will for quite some time.

Everyone involved is to be commended for their efforts and urged to continue the good work. Despite the extremely tight circumstances only one accident occurred in our yard, and this accident involved a foreign driver.

Keep up the good work!

DRIVER SAFETY MEETINGS

5-18-99 - 6:00 AM

5-19-99 - 5:00 PM

We opened our meeting with a discussion of accidents/injuries YTD; as well as our progress towards our goals for 1999.

Next we discussed the problems Marion has noted with tie down slots. Some slots are being damaged, usually by being elongated and are noticed when they are loaded for delivery to the dealer. We discussed possible causes ranging from tieing down with hydraulics, over tightening, using only two chains, weak metal, rough roads, other drivers at fault, etc. Several drivers became somewhat upset and assured us that they were loading properly and felt they were being "dumped" on. At this point I assured them that we were only looking to find the problem, and stressed that every driver in the Moraine Terminal needed to make absolutely sure they were tieing units down properly, four chains, no hydraulics, etc., so our house would be clean and we could check on other causes.

Driver concerns expressed were:

1. Tree limbs in and around Marion.
2. One driver stopped truck for clothesline replacement and we were out. (We can get extra from Marion.)
3. What is the policy on shocks for the trucks -- could lead to some of the tie down problems.
4. Don't send us all to one area to load.
5. Concern over recaps - drivers claim they are failing on rough roads between here and Marion.

Next we covered Module 1: Proper Following and Stopping Distance.

The meeting was closed thanking everyone for the excellent job on reducing accidents and injuries.

SAFETY COMMITTEE MEETING

APRIL 13, 1999 7:00

TOM KELLEY
BOB WINKLERBILL BAKER
GARY CHINNBILL WEAVER
ROY THORNTON

OPENED OUR MEETING THANKING EVERYONE FOR THEIR EFFORTS,
AS WE REMAIN WELL BELOW OUR YEARLY GOALS.

MOST POTHOLEs HAVE BEEN FIXED THROUGHOUT THE YARD.
"CLOTHESLINES" WILL BE REPLACED AS REQUESTED. ALL DRIVERS
SHOULD CHECK THEIR'S, AND IF THE PLASTIC IS CRACKED OR THERE
ARE ANY SIGNS OF RUST, HAVE THEM REPLACED.

SKIDS WILL BE REPLACED AND/OR FIXED AS REQUIRED.

BILL WEAVER IS BEGINNING TO SERVICE AIR CONDITIONING IN
OUR TRUCKS: LET THE SHOP KNOW IF YOU HAVE PROBLEMS.

GARY CHINN WAS IN MARION LAST WEEK. UNFORTUNATELY, THE
PROBLEM WITH THE LARGE STONES WILL NOT GO AWAY. THEY ARE
WELL EMBEDDED IN THE GROUND AND WILL CONTINUE TO WORK THEIR
WAY UP. ALL DRIVERS NEED TO USE CAUTION WHEN LOADING/UNLOADING
AT MARION. THE OLD ADAGE "LOOK WHERE YOU STEP, STEP WHERE
YOU LOOK" CERTAINLY APPLIES.

KEEP UP THE GOOD WORK MORaine!!

SAFETY MEETINGS

4-12-99 - 9:00 AM
4-29-99 - 6:00 PM
4-30-99 - 5:00 PM

We opened the safety meeting with a discussion of accidents/injuries YTD and a comparison to our goals for 1999. We emphasized the need to "warm up" in relation to Steve Northup's recent injury.

Next we discussed problems/concerns expressed in our last meeting:

- 1.) Skids will be repaired/replaced as required. Please see Bill Weaver. Should you have problems, let Gary Chinn know.
- 2.) Marion has been contacted about tree limbs problems.
- 3.) Check your clothes lines. If you see any problems (plastic pulling away, rusting, etc.) have them replaced. If you are not sure, have Bill or the shop check them.
- 4.) We are in the process of reinforcing the "pins" that have broken recently.

We then covered Module 3 "Proper Chain Positioning" and Module 2 "Proper Use of the Tie Down Bar".

M ORAN

SAFETY MEETINGS**AM BOARD - 3/30 - 6:00 AM****PM BOARD - 3/31 - 5:00 PM**

WE OPENED OUR MEETINGS WITH A DISCUSSION OF ACCIDENTS/INJURIES YEAR TO DATE, AND OUR PROGRESS TOWARDS OUR 1999 GOALS.

NEXT WE WENT OVER ITEMS FROM OUR YARD AND SAFETY COMMITTEE MEETINGS: LOAD ON DOCKS FOR E-BAY LOADS, SPEEDING IN THE YARD, POT-HOLE REPAIR, DOUBLE PARKING, ETC.

THE FOLLOWING CONCERNS/COMMENTS WERE EXPRESSED:

1. LARGE STONES IN MARION TEND TO BE HAZARDOUS (SEE ATTACHED MEMO).
2. DRIVERS ARE HAVING A HARD TIME GETTING SKIDS REPAIRED (GARY CHINN WILL GET WITH SHOP).
3. TREE LIMBS ARE GOING TO BE A PROBLEM IN MARION THIS SPRING.
4. WHAT IS THE POLICY ON REPLACING THE "CLOTHES-LINE"?

WE THEN COVERED MODULE #2, "PROPER USE OF THE TIE DOWN BAR".

THE MEETING ENDED EXTENDING CONGRATULATIONS TO ALL THOSE INVOLVED FOR AN EXCELLENT 1ST QUARTER.

DEPOSITION

 A handwritten signature in black ink, appearing to read "Palladino S", is enclosed in a rectangular border. Below the border, the name "Wendy Welsh" is printed in a smaller, standard font.
